

Luke Menary

Barrister | Liverpool Civil Law

Professional Summary

Luke Menary is a dynamic barrister specialising in clinical negligence and catastrophic injury, with additional expertise in commercial and chancery disputes. Known for his efficiency, tenacity and keen attention to detail, Luke regularly handles high-value and complex cases, often involving life-changing injuries and multi-disciplinary expert evidence.

Practice Areas

- Clinical Negligence
- Catastrophic/Serious Injury
- Commercial/Chancery Disputes

Experience & Notable Cases

- Secured £7.5M, £2M and £1M settlements for claimants with diffuse axonal brain injuries, led by KCs.
- Achieved £2.35M settlement at JSM for a claimant requiring below-knee amputation after traumatic injury, sole counsel.
- Settled multiple high-value clinical negligence claims at JSMs, including those involving cancer misdiagnosis, delays in treatment, and surgical error.
- Represented over 15 claimants (so far) in the group action against (now disgraced) Consultant Orthopaedic Surgeon Jeremy Parker.
- Acted for the claimant in a labiaplasty case deemed Female Genital Mutilation; liability denied but successful at trial.
- Successful before a High Court Judge on an application for an extended civil restraint order after demonstrating repeated meritless claims by the claimant.
- Regularly instructed in commercial disputes including franchise, energy, cryptocurrency and manufacturing disputes.
